DEAR MEMBER:

Next meeting of the Minnesota Transportation Museum Committee of the Minnesota Historical Society will be on Sunday, February 10, 1963 at 2:30 pm in the Weyerhaeuser Room adjacent to the front entrance of the Minnesota Historical Society Building on the Capitol Grounds in Saint Paul.

We are particularly happy to report to you that TCRT Streetcar 1300 has been the object of steady attention by the Shop Committee. Additional mechanical tests have also been made with cooperation of the Minnesota Transfer Railway and have proven very satisfactory. As most of you know, the car is well situated in a heated stall of the M.T.Ry. Roundhouse.

Publications Committee has completed the draft of a brochure featuring pictorial highlights of TCRT equipment including the Lake Minnetonka marine fleet, from its beginning and on thru the Great Years..Rolling stock roster and historical sketches round out this superb book which will soon be available for distribution.

Program & Exhibits Committee has been functioning with 550-volts-DC-enthusiasm over prospects of presenting an enjoyable program at each meeting as well as preparing a collection of articles on the background of 1300 and its current place in the midst of historical activity. For the ensuing meeting the Committee is arranging a display of transportation models which is sure to capture the interests of every member. An operating date for the 1300 has also been tentatively set up.

The Site Committee has devoted considerable time and effort in seeking a

desirable future location to permanently accommodate and operate 1300.

Several sites have been investigated with more to be checked.

Arrange now to set aside Sunday Afternoon, February 10th, 2:30 pm at the
Weyerhaeuser Room in the Minnesota Historical Society Building, Saint Paul.

Rapid Transitly Yours,

PUBLICITY COMMITTEE...P.....
